

Deception in selling vegetables - 27 /Jun/ 2019

- Q:**
- a) what is the rule on selling muddy vegetables or to pour water on them in order to keep them fresh and then to sell them like that?
 - b) is it permissible to sell vegetables in bunches/cleaned?
- A:**
- a) by itself, it is no problem provided that it is exposed to the buyer and does not lead to his deception.
 - b) it is no problem provided that it is normal to do so there.
