Necessity of Taqlid - 20 /Oct/ 2019

Q: Is it necessary to choose a *marji'* of *taqlid* to follow?

A: A *mukallaf* who is not a *mujtahid* should either follow a qualified *mujtahid* or to act according to caution, i.e. to make sure that he has done his *shar'ī* duty, for instance, not to do the acts which are *ḥarām* according to some *mujtahid* and *ḥalāl* according to others and to perform the acts which are obligatory as viewed by some *mujtahids* and not obligatory by others.
