## 'Arba'in Ziyarah Time - 7 /Sep/ 2022

---

**Question:** Does 'arba'in ziyarah a few days before or after 'arba'in have the same reward?

**Answer:** Ziyarah of Sayyid al-Shuhadā (peace be upon him) is recommended at any time and brings great rewards. But the reward of ziyarah at a specific time is specific to performing it at the mentioned time. Of course, there is no obstacle to performing ziyarah before or after that, hoping to achieve that special reward.
